3RD YEAR

FIELDTRIP!

Every year student in 3rd Year get the opportunity to leave the classroom and visit industrial sites across British Columbia and Alberta. This year a bus went into Southern BC to visit Trail Teck, Zelstoff Celgar, and Teck Line Creek Operations. Additionally, another bus went North to Prince George and then to Edmonton to visit Canfor, Dow Chemical, and

went north to Prince George and then to Edmonton to visit Canfor, Dow Chemical, and Enkern as many other facilities. The two buses then met up for a final tour together in Fort Saskatchewan of the Shell Quest Carbon Capture site.

New this year, there was an option for students to stay local for the field trip; students got to visit the Capilano Water Treatment Facility, CertainTeed Gypsum, Central City Brewery and Carbon Engineering.
